

src/isamplereduction.cpp

```
graph TD; A[src/isamplereduction.cpp] --> B[mdf/isamplereduction.h]; A --> C[mdf/ichannel.h];
```

The diagram illustrates a C++ source file, `src/isamplereduction.cpp`, which includes two header files. Two blue arrows originate from the bottom of the `src/isamplereduction.cpp` box and point to the `mdf/isamplereduction.h` and `mdf/ichannel.h` boxes respectively.
